ITEM(S) CONTINUED FROM PAGE 1, MSFC FORM 2327 (Specify number(s) continued):

regarding Operations Data File (ODF) Standards.

- D. Prepare and present the PODF Procedures Overview Class.**
- E. Develop and maintain the Manual Procedure Viewer (MPV) library.**
- F. Coordinate changes to payload procedure and multi-element procedures.**
- G. Assess and coordinate update of procedures from the user for ODF Standards and Operations Nomenclature compliance.**
- H. Convert procedure file into realtime operations format.**
- I. Support PODFCB in certification of US PODF for Flight.**
- J. Manage the PODF Fabrication Facility.**
- K. Resolve OPMS and MPV concerns related to PODF procedures.**
- L. Verify procedures are consistent with scheduling requirements as submitted via iURC/URC.**

Products

- A. Provide the PODF Management Plan and Annexes 1, 2, 3 and 4.**
- B. Provide the Increment PODF Contents Definition Document.**
- C. Provide the On-board Displays & Procedure Writing Class.**
- D. Provide the PODF Procedures Overview Class.**
- E. Provide the PODF Payload MPV library.**
- F. Provide hardcopy of PODF.**
- G. Provide Flight Data File and SODF input.**

Add Section 4.5.3:

4.5.3 PODF Displays Lead

PODF Displays lead advises, assesses and evaluates the preparation of on-board US Payload displays from users for on-board payload operations.

Functions:

- A. Develop, implement, and maintain the PODF Management Plan and Annexes.**
- B. Prepare and present the On-board US Payload Displays & Procedure Writing Class.**
- C. Prepare and present the PODF Displays Overview Class.**
- D. Track and assess all on-board US Payload display activities.**
- E. Coordinate changes to on-board US Payload displays.**
- F. Assess on-board US Payload displays to ensure compliance with ISS Displays and Commonality Standards; PODF Management Plan, Annex 6, Payload Display Developers Guide; and Human Computer Interface cross-payload usability.**
- G. Support PODFCB in certification of US PODF for Flight.**
- H. Run the Payload Display Review Panel.**

Products

- A. Provide the PODF Management Plan and Annexes 5 and 6.**
- B. Provide the On-board US Payload Displays & Procedure Writing Class.**
- C. Provide the PODF Displays Overview Class.**
- D. Provide payloads a Payload Display Review Panel initial display evaluation.**
- E. Provide payloads a Payload Display Review Panel interim display evaluation.**
- F. Provide payloads a Payload Display Review Panel final display evaluation.**
